

Nova Health Premium - Particular Conditions

Policy schedule - synthetic demo document

1. Contract identity

Policy number: POL-2026-0042
Product: Nova Health Premium
Policyholder: Demo Customer A
Effective date: 01 January 2026
Renewal date: 01 January 2027
Currency: EUR

2. Selected benefits

The benefits below are the limits initially selected at policy inception. They are subject to later endorsements where applicable.

Benefit	Annual limit	Deductible	Network
Hospitalisation	EUR 50,000	EUR 250	Partner and non-partner
Dental care	EUR 1,200	EUR 100	Partner preferred
Optical care	EUR 500	EUR 50	Partner and non-partner
Physiotherapy	20 sessions	EUR 25 per session	Prescribed care only

3. Particular limitations

- Dental cosmetic procedures remain excluded under General Conditions section 7.4.
- Physiotherapy requires a prescription issued before the first reimbursed session.
- Hospitalisation outside the European Economic Area is capped at 30 consecutive days per event.

4. How this schedule interacts with the General Conditions

The General Conditions define each benefit and its exclusions. When the General Conditions refer to a monetary limit "specified in the Particular Conditions", the amount in this schedule applies unless a later endorsement expressly replaces it.

If an endorsement changes a benefit, the endorsement prevails from its effective date for the specific item it changes. All other terms remain unchanged.

Synthetic document created solely for the PolicyLens RAG prototype. It does not describe a real person, policy, product or insurer.
