

Nova Motor Complete - Particular Conditions

Motor policy schedule - synthetic demo document

1. Contract identity

Policy number: POL-2026-0188
Product: Nova Motor Complete
Policyholder: Demo Customer B
Vehicle: Synthetic EV 4D
Registration: DEMO-188
Effective date: 15 February 2026

2. Cover schedule

Cover	Limit / basis	Deductible
Third-party liability	Statutory and contractual limits	None
Collision damage	Vehicle market value	EUR 500
Theft	Vehicle market value	EUR 250
Glass breakage	Replacement cost	EUR 100
Personal belongings in vehicle	EUR 1,000 per event	EUR 100

3. Driver conditions

- Regular drivers must be declared.
- Use for private commuting is included.
- Commercial passenger transport is not included.

4. Personal belongings

The schedule provides a limit for personal belongings, but eligibility depends on the security conditions and exclusions in General Conditions section 6.3. The schedule alone does not establish whether a particular theft scenario is covered.

Synthetic document created solely for the PolicyLens RAG prototype. It does not describe a real person, policy, product or insurer.
